## Mild Laxative for Baby Free

The child of today is the parent of  
the future, and whether it grows up  
healthy and strong, or puny and weak,  
depends upon the intelligence of its  
parents, for most children are born  
into the world healthy, but thousands  
become future weaklings between  
birth and the age of ten, when the  
parents are still in greatest control.  
The prime cause of trouble is in the  
stomach. A baby that is digesting its  
food seldom cries and always looks cheer-  
ful; the little child whose stomach is good  
romps and plays and never whines; the  
growing child learns well at school and is  
eager for fun if its head is clear and its  
stomach light, and that means if it has  
no constipation.

The best and safest way to cure any  
irregularity of the stomach and bowels  
in children is by the use of Dr. Caldwell's  
Syrup Pepsin. This is a liquid laxative  
wonderful in its effect as Mrs. John W.  
Dunham, Apple Creek, O., Mrs. H. L.  
Cullam, Plainville, Ind., and numerous  
others can testify who give it to their  
children with extraordinary results.  
A bottle only costs 50 cents or \$1 ac-  
cording to the size you want, and even  
one 50-cent bottle will do a wonderful  
amount of good in a family. It can be  
given to any member of the family in  
constipation, sour stomach, indigestion,  
torpid liver, dyspepsia, heartburn, sick  
headache and similar digestive troubles.  
It never gripes or strangles like pills,  
tablets, salts and powders, which should  
not be given to children, women or old  
folks.

If you have a child or other member of  
the family who needs, but has never used  
this grand laxative tonic, send your name  
and address to the doctor and a free trial  
bottle will be sent to your home. In this  
way you can find out what it will do  
without personal expense.

If there is anything about  
your ailment that you don't  
understand, or if you want  
any medical advice, write  
to the doctor, and he will  
answer you fully. There is  
no charge for this service.  
The address is Dr. W. B.  
Caldwell, 500 Caldwell bldg.,  
Monticello, Ill.

### The Lash of a Fiend

would have been about as welcome to  
A. Cooper, of Oswego, N. Y., as a  
merciless lung-racking cough that de-  
fied all remedies for years. "It was  
most troublesome at night," he writes,  
"nothing helped me till I used Dr.  
King's New Discovery which cured me  
completely. I never cough at night  
now." Millions know its matchless  
merit for stubborn colds, obstinate  
coughs, sore lungs, lagrippe, asthma,  
hemorrhage, croup whooping cough or  
hay fever. It relieves quickly and  
never fails to satisfy. A trial convinces.  
50 cent and \$1.00. Trial bottle  
free. It's positively guaranteed by  
Oberdorfer.

Japan has nearly 40,000,000 people  
more than half as many as the United  
States.

### Don't Break Down.

Severe strains on the vital organs,  
like strains on machinery, cause  
break-downs. You can't overtax  
stomach, liver, kidneys, bowel or  
nerves without serious danger to your-  
self. If you are weak or rundown, or  
under strain of any kind take Electric  
Bitters the matchless, tonic medicine.  
Mrs. J. E. Van de Saude, of Kirkland,  
Ill., writes: "That I did not break  
down, while enduring a most severe  
strain, for three months, is due wholly  
to Electric Bitters." Use them and  
enjoy health and strength. Satisfaction  
positively guaranteed. 50 cents at  
Oberdorfer's.

The best way to ascend steadily in  
the world is to keep on the level.

### It Saved His Leg.

"Al—thought I'd lost my leg,"  
writes J. A. Swensen, of Watertown,  
Wis. "Ten years of eczema, that 15  
doctors could not cure, had at last laid  
me up. Then Bucklen's Arnica Salve  
cured it, sound and well." Infalible

### BLUE GRASS LEAGUE NOTES.

Winchester has secured from the  
Louisville club 3rd baseman Baker,  
who it is said is very promising and  
may prove a valuable acquisition to the  
Hustlers.

President Bacon last week released  
outfielder Nippert, who was signed by  
the Paris club at the close of last sea-  
son.

Chas. Beckett, of Evansville, Ind.,  
has been signed by President Bacon  
and will report for duty April 15.  
Beckett is said to be an exceptionally  
good outfielder, while his hitting qual-  
ities are well up to the standard.

Ed. Turner, a prominent member of  
the Board of Directors of the Paris  
Base Ball Club, who is at Hot Springs  
for the benefit of his health, is mak-  
ing the most of his stay at the springs  
where the Cincinnati Reds, Pittsburgh  
Pirates and the Boston Americans are  
in training by trying to get some big  
league timber for the Paris Club for  
this season, according to a dispatch  
to the Cincinnati Post for the training  
camp of the Reds which is as follows:

"A tall, reverend looking man seated  
himself at the breakfast table op-  
posite second baseman Dick Egan.  
He scanned the menu card carefully,  
then conveyed his wishes to the atten-  
tive waiter in a soft voice.

"He looked across at Egan, careful-  
ly scanned his features and, feeling  
sure he was addressing the right per-  
son, said:

"I am a great admirer of the Pir-  
ates, in fact, I am greatly interested  
in base ball. I am scouting for the  
Paris team of the Blue Grass League.  
I suppose you have heard of that orga-  
nization he asked.

"Oh, yes," answered Egan. "We  
hear a great deal about the Blue  
Grass League over in Cincinnati.

"I am down here looking for a  
pitcher," said the reverend looking  
gentleman. "Do you think I have any  
chance to land one?"

"You are kind of early," answered  
Dick. The pitchers are generally tried  
out pretty thoroughly before any are  
released. A manager cannot risk  
sending any of them back to the mi-  
nors unless they look altogether too  
green."

"There's one chap out there that  
looks awful good to me," continued  
Egan's companion, after apologizing  
for squirting a spoonful of grapefruit  
juice in the second-sacker's eyes.  
He is a tall chap and has all kinds of  
speed."

"We have several tall men on our  
club," remarked Egan. "Can't you give  
me a better description of him?"

"Yes, he has dark hair, rather  
sharp features and a lot of speed. I  
think if you mention his name I will  
know it," said the Blue Grass scout,  
while dropping three lumps of sugar  
into his coffee.

"Oh, you mean Fred Beebe," was  
Egan's reply.

"Yes, that's the fellow, Beebe.  
He looks mighty good to me, and I  
think I will try to induce Manager  
Griffith to let us have him down at  
Paris next year."

"That was enough for Egan, and he  
hurried through his soft-boiled eggs and  
coffee before the Paris scout had a  
chance to prepare minor league berths  
for Mitchell, McLean and some of the  
other Red stars."

## Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases,  
disorders and weaknesses peculiar to women. It is the  
only preparation of its kind devised by a regularly gradu-  
ated physician—an experienced and skilled specialist in  
the diseases of women.

It is a safe medicine in any condition of the system.  
**THE ONE REMEDY** which contains no alcohol  
and no injurious habit-forming drugs and which  
creates no craving for such stimulants.

**THE ONE REMEDY** so good that its makers  
are not afraid to print its every ingredient on  
each outside bottle-wrapper and attest to the  
truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can  
get it. Don't take a substitute of unknown composition for this medicine of  
KNOWN COMPOSITION. No counterfeit is as good as the genuine and the druggist  
who says something else is "just as good as Dr. Pierce's" is either mistaken  
or is trying to deceive you for his own selfish benefit. Such a man is not to be  
trusted. He is trifling with your most priceless possession—your health—  
may be your life itself. See that you get what you ask for.
